Care Elevated

# TEAM-BASED, INTEGRATED CARE

## Arosa is here to help.

## Partners for Clients and Families

We serve as the eyes, ears, and helping hands for our clients when their family and friends cannot be there. Our care professionals work with family members to both craft and execute a care plan that meets the needs and wishes of their love one.

## Integrated Care Services for Better Overall Care

We know that the integration of care management and home care leads to higher satisfaction for individuals and their families.
Our Care Managers evaluate each client's unique needs and create a customized plan for overcoming the aging journey's toughest peaks.

## Compassionate, Experienced Professionals

For decades, our teams have served families in communities across the country. Our care professionals are experts at caring for individuals with dementia, chronic conditions, psychiatric illnesses, and other behavioral concerns.

## Your Custom Relocation Plan

## Transitions

We understand that transitions can be both exciting and unnerving, especially when you are considering moving to a new community or senior living environment. Let us be your expert guides through this journey, offering compassionate support, and comprehensive assistance every step of the way.

1

### DISCOVER

Uncover your needs as we begin this journey together, to ensure a clear understanding of your unique situation.

2

### EXPLORE

Conduct tailored research to find the perfect fit for you, support you as you evaluate, and consider your options.

3

### GET MOVING!

With our guidance, confidently charter your course through your home transition.

4

### ACCLIMATE

Be with you as you settle into your new home and assist you with any needs that may arise.

# Discover

## 1 Share Your Journey

Before we can truly support you, we first need to get to know you.

## 2 Share Your Vision

We will discuss your goals and priorities to ensure you find the perfect fit for your lifestyle and care requirements.

## 3 Chart The Course

Together, we will cultivate a plan that outlines how Arosa will best support you during the transition.
As part of our plan, we take in to account the collective or hourly cost associated with our expert guidance.
